Such arrangement exists in the Madras Presidency and may be tried here, thereby avoiding the necessity for the appointment a bill collector: 30) I agree. The argument is based solely on the fact that Mysore Gold has a bill-collector, and that work here is more than in Mysore. It also urges that credit sales cannot be stopped, without detriment to the business conducted. With reference to your Memo No.1209-10/17-07 dated 10th September 1921 forwarding copy of G. O. No.J.901-2/Pris 58-15-40 dated 22nd August 1921 sanctioning the proposals for the improvement of industries in the Jails of the State, I have the honor to state as under:-

2. The establishments of the Industrial Branches of this Jail as well as the Mysore Jail have been revised and in the revised strength, I find that a separate Bill Collector has been sanctioned for the District Jail at Mysore, but not for this Jail. Hitherto, an allowance of Rs.2/- was being given to a warder of the Jail here for doing the duties of Bill Collector. This allowance also has been omitted in the revised strength of the establishment. Further, for supervising the industries in the Mysore Jail, sanction is accorded to the payment of an allowance of Rs. 20/- and Rs. 25/- to the Deputy Jailor and Jailor respectively, and no such allowance is sanctioned to the Jailor and Deputy Jailor of this Jail. In this connection, I beg to state that Industries are carried on, on a more extensive scale in this Jail and the monitary transactions here are much more than those in the Mysore Jail. When the District Jail, Mysore, where transactions are not so heavy as in this Jail, has been provided with a separate Bill Collector and the Jailor and Deputy Jailor are given allowances for supervising industries, this Jail also should have similar, if not more concessions. I therefore beg to suggest that a Bill Collector on Rs. 15/- at least may kindly be sanctioned for this Jail and an allowance of Rs. 30/- to the Jailor and Rs. 25/- to the Deputy Jailor sanctioned for supervising industries.

3. There has been suggestion for making all the temporary Work-Instructors' posts permanent and pensionable. But the G.O., under reference is silent on the point. I request to be informed whether the services of these temporary Work-Instructors are to be considered as permanent and pensionable in future.

4. Further, I request to be kindly intimated if the order of Government sanctioning the revised scale of pay can be given effect from the date of the order.

The Mysore Jail has been given a Bill Collector on Rs. 10/- per mensem, but the transactions in the Central Jail being far-greater than in Mysore Jail, a Bill Collector for this Jail also is urgently called for.

I request therefore that a whole-time Bill Collector on a pay of Rs.15/- per mensem, may be kindly sanctioned at an early date. The pay to be met from the same source from which the revision of the Industrial Department was sanctioned, Viz., "Savings from the Sanitary Department."
